

The Great Pond Project 2007

The DC CWOA & DC CPOA

Cordially Invite All CPO thru CWO4 to Participate In The Pond Cleanup/Bar-B-Q At the Washington DC Armed Forces Retirement Home

Volunteers are needed to help clean up the area around the ponds on the grounds of the Armed Forces Retirement Home. Work will include raking leaves, trimming hedges, and general grounds cleaning. We are also looking for anyone who has waders to bring them, or loan them to us. There is some minor work to be done in the ponds themselves.

There will be a Bar-B-Q at the pond after the work is completed (@1230). The lunch will include food and drinks. Some of the residents from the community will be joining us for this activity. They have plenty of war stories that they love to share.

We also invite you to bring any dependent (10 years or older) who would like to help. This is a great way for a scout to earn a badge or credit for community service.

**Date: Thursday, 17 May 2007
(Rain Date: Friday, 18 May 2007)**

Transportation will leave HQ & Ballston at 0830, and leave to return at 1500. If you wish to drive yourself, you need to let CWO Fennell know ahead of time.

*If you would like to participate, **please RSVP by Monday, 30 April 2007**. If you are bringing any children 10 to 15 years old, we need additional information.*

Please contact one of the three POC's below via email or phone to RSVP or for any questions or concerns you may have. Thank you for your attention to this important matter.
