

# The Great Pond Project 2008

## The DC CWOA & CPOA

**Cordially Invite All CPO, CWO, E6, LTJG, LT and LCDR  
(and former CPO thru CWO4) to Participate in**

**The Annual Spring Pond Cleanup/Bar-B-Que**

**At the Washington DC Armed Forces Retirement Home**

*This year's event includes a special building project. If you can bring a cordless drill (fully charged) that would be greatly appreciated. We will also be doing our usual cleanup of the pond grounds and waterfall area. Work will include raking leaves, trimming hedges, and general grounds cleaning. We are also looking for anyone who has waders to bring them, or loan them to us. Recommend you bring work gloves.*

*Volunteers must have their supervisor's permission to attend this event.*

*There will be a Bar-B-Que at the ponds after the work is completed (@1300). The lunch will include food and drinks. Some of the residents from the community will be joining us for this activity. They have plenty of war stories that they love to share.*

*We also invite you to bring any dependent (16 years or older) who would like to help. This is a great way for a scout to earn a badge or credit for community service.*

**Date: Wednesday, 18 June, 2008**

*Transportation will be coordinated at a later time. If you wish to drive yourself, you need to let CWO Fennell know ahead of time. We would like some volunteers to arrive as early as 0800 if possible. We need to get a jump on the construction project.*

*If you would like to participate, **please RSVP via email by 1200 Tuesday, 17 June.***

*Please contact one of the POC's below via email to RSVP or for any questions or concerns you may have. Thank you for your attention to this important matter.*
