CWO3 Edward Kruska
US Coast Guard Flags Across America

Dear CWO3 Kruska:

Please accept this special THANK YOU for helping make the 2008 National Memorial Day Parade a huge success!

This particular parade is always very special to our team, because it not only honors those great Americans that we have lost in war throughout our history, but it also honors those who have served and are with us today, as well as those actively serving now.

While our staff is always working very hard on parade day to assist each of the groups in the parade, we have to be honest and tell you that we all shed a tear at one point or another realizing the significance behind the parade, and then also seeing around 10,000 Americans marching or riding in such an honorable parade.....it is truly an emotional highlight for all of our staff members.

We thank you for your dedication to this great parade!

Have a great summer!

Sincerely,

The National Memorial Day Parade Production Team
