

Pack 599
Service Event

USCG
Flags Across America

We need you Cub Scouts of Pack 599!
Come help us on Saturday, November 6, 2004 at Woods National Cemetery - Administration Building (5000 W. National Avenue) at 9:00 a.m. to place flags at Coast Guard Serviceperson headstones.

All you need to do is be present, dress accordingly for the weather (hats, gloves, boots) and bring along a cordless drill if you have one. Let's show what Cub Scouts is all about by helping others. Scouts should participate in at least one (1) service event a year.
